

To enhance the lives of individuals with Alzheimer's disease and other dementias

---

# caregiver support group

---

The Alzheimer's Association's Caregiver Support Groups are designed to provide emotional, educational and social support for caregivers through regularly scheduled meetings. They help participants develop methods and skills to solve problems. The groups encourage caregivers to maintain their own personal, physical and emotional health, as well as optimally care for the person with dementia.

Call 518 867 4999, ext. 209 or 1 800 272 3900, or visit us at
