Board of Directors  
Rensselaer Tobacco Asset Securitization Corporation  
Rensselaer County  
99 Troy Road  
East Greenbush, New York 12061

To the Board of Directors:

We have audited the financial statements of Rensselaer Tobacco Asset Securitization Corporation (“RTASC”), a component unit of the County of Rensselaer, New York, as of and for the year ended December 31, 2023, and have issued our report thereon dated March 8, 2024. Professional standards require that we advise you of the following matters relating to our audit.

### **Our Responsibility in Relation to the Financial Statement Audit**

As communicated in our engagement letter dated February 15, 2024, our responsibility, as described by professional standards, is to form and express an opinion about whether the financial statements that have been prepared by management with your oversight are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America. Our audit of the financial statements does not relieve you or management of your respective responsibilities.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of the system of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity’s internal control over financial reporting. Accordingly, as part of our audit, we considered the system of internal control of RTASC solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

### **Planned Scope and Timing of the Audit**

We conducted our audit consistent with the planned scope and timing we previously communicated to you.

## **Compliance with All Ethics Requirements Regarding Independence**

The engagement team, others in our firm, as appropriate, and our firm have complied with all relevant ethical requirements regarding independence.

## **Qualitative Aspects of the Entity's Significant Accounting Practices**

### *Significant Accounting Policies*

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by RTASC is included in Note 1 to the financial statements. Except for the matter discussed below, there have been no initial selection of accounting policies and no changes in significant accounting policies or their application during the year ended December 31, 2023.

During the year ended December 31, 2023, RTASC implemented GASB Statements No. 94, *Public-Private and Public-Public Partnerships and Availability Payment Arrangements*; No. 96, *Subscription-Based Information Technology Arrangements*; and a portion of No. 99, *Omnibus 2022*. GASB Statement No. 94 improves financial reporting by addressing issues related to public-private and public-public partnerships arrangements ("PPPs"). GASB Statement No. 96 improves financial reporting by establishing a definition for Subscription-Based Information Technology Arrangements ("SBITAs") and providing uniform guidance for accounting and financial reporting for transactions that meet that definition. A portion of GASB Statement No. 99 enhances comparability in the application of accounting and financial reporting requirements and improves the consistency of authoritative literature related to GASB Statements No. 94 and 96. The implementation of GASB Statements No. 94, 96, and a portion of 99 did not have a material impact on RTASC's financial position or results from operations.

No matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

### *Significant Accounting Estimates and Related Disclosures*

Accounting estimates and related disclosures are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments.

The most sensitive estimate affecting the financial statements for the year ended December 31, 2023 was the recognition of tobacco settlement revenues as a receivable.

Management's estimate of the recognition of tobacco settlement revenues is based on a combination of recent trends and historical data of tobacco settlement revenue received by RTASC. We evaluated the key factors and assumptions used to develop this estimate and determined that it is reasonable in relation to the basic financial statements taken as a whole and in relation to the applicable opinion units.

#### *Financial Statement Disclosures*

Certain financial statement disclosures involve significant judgment and are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting RTASC's financial statements relate to long-term debt and contingencies as described in Notes 4 and 6 to the financial statements.

#### **Significant Unusual Transactions**

For purposes of this communication, professional standards require us to communicate to you significant unusual transactions identified during our audit. We encountered no significant unusual transactions throughout our audit.

#### **Significant Difficulties Encountered during the Audit**

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

#### **Uncorrected and Corrected Misstatements**

For purposes of this communication, professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the financial statements as a whole and each applicable opinion unit. Management has corrected all identified material misstatements.

In addition, professional standards require us to communicate to you all material, corrected misstatements that were brought to the attention of management as a result of our audit procedures. No misstatements were identified by us as a result of our audit procedures that were considered material, either individually or in the aggregate, to the financial statements taken as a whole.

#### **Disagreements with Management**

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to RTASC's financial statements or the auditors' report. No such disagreements arose during the course of the audit.

### **Representations Requested from Management**

We have requested certain written representations from management, which are included in the attached letter dated March 8, 2024.

### **Management's Consultations with Other Accountants**

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

### **Other Significant Matters, Findings, or Issues**

In the normal course of our professional association with RTASC, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, significant events or transactions that occurred during the year, operating and regulatory conditions affecting the entity, and operational plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as RTASC's auditors.

This report is intended solely for the information and use of the RTASC Board and management of the RTASC and is not intended to be and should not be used by anyone other than these specified parties.

## Required Supplementary Information

With respect to the required supplementary information accompanying the financial statements including Management's Discussion and Analysis:

- We acknowledge our responsibility for the presentation of the required supplementary information in accordance with U.S. GAAP.
- We believe the required supplementary information, including its form and content, is measured and fairly presented in accordance with U.S. GAAP.
- The methods of measurement or presentation have not changed from those used in the prior period and the basis for our assumptions and interpretations, underlying those measurements or presentations, are reasonable and appropriate in the circumstances.

## Other Specific Representations

- We have not completed the process of evaluating the impact that will result from adopting the remainder of GASB Statement No. 99, *Omnibus 2022*; No. 100, *Accounting Changes and Error Corrections—an amendment of GASB Statement No. 62*; and No. 101, *Compensated Absences*, effective for the year ending December 31, 2024; and No. 102, *Certain Risk Disclosures*, effective for the year ending December 31, 2025. RTASC is, therefore, unable to disclose the impact that adopting GASB Statements No. 99, 100, 101, and 102 will have on its financial position and results of operations when such statements are adopted.
- RTASC reports restricted and unassigned fund balances. RTASC has restricted balances of \$2,168,758 and an unassigned balance of \$32,629 within its governmental funds for the year ended December 31, 2023. Amounts of fund balance reported as restricted represent RTASC funds that are to be spent only for the specific purposes stipulated by constitution, external resource providers, or through enabling legislation.
- At December 31, 2023, RTASC reported a net position deficit of \$35,466,292. The deficit is caused by long-term obligations that are greater than currently available resources.
- Management has disclosed whether, subsequent to December 31, 2023, any changes in internal control or other factors that might significantly affect internal control, including any corrective action taken by management with regard to significant deficiencies or material weaknesses have occurred.
- In preparing the financial statements in conformity with accounting principles generally accepted in the United States of America, management uses estimates. We are responsible for making the accounting estimates. The RTASC has disclosed in the financial statements all estimates where it is reasonably possible that the estimate will change in the near term and the effect of the change could be material to the financial statements.
- We agree with the work of specialists in evaluating Tobacco Settlement Bonds payable, along with the Subordinate Turbo CABs outstanding and related accreted interest and have adequately considered the qualifications of the specialists in determining the amounts and disclosures used in the financial statements and underlying accounting records. We did not give any instructions, nor cause any instructions to be given, to specialists with respect to

value or amounts derived in an attempt to bias their work, and we are not aware of any matters that have impacted on the independence or objectivity of the specialists.

- Based on an estimate of recent trends and historical data of tobacco revenue received by RTASC, we estimate amount due from New York State reported on the statement of net position to be \$2,255,891 at December 31, 2023.
- RTASC management believes the entire balance of due from New York State will be used for debt service and, therefore, has classified that portion of net position as restricted for debt service.
- In addition to the audit services, based on information in the RTASC trial balance, Drescher & Malecki LLP has assisted RTASC in preparing RTASC's financial statements for the year ended December 31, 2023. With respect to all nonattest services provided, we have performed the following:
  - Made all management decisions and performed all management functions.
  - Designated Mark Wojcik, President, whom we believe has suitable skill, knowledge, and/or experience to perform bookkeeping functions and to oversee the above services.
  - Evaluated the adequacy and results of the services performed.
  - Evaluated and accepted responsibility for the results of the services performed.
  - Established and maintained internal controls, including a process to monitor the system of internal control.
- RTASC management understands that Drescher & Malecki LLP has not performed any management functions or made management decisions on behalf of RTASC. Any nonattest services were performed in accordance with the applicable professional standards issued by the American Institute of Certified Public Accountants.
