

AQUATIC CERTIFICATIONS for NYS Bathing Facilities

Fact Sheet – March 2017

(Go to www.health.ny.gov to view most current certification list)

Standards for aquatic/lifeguard certifications are contained in New York State Sanitary Codes (SSC) [Subpart 6-1](#), Section 6-1.31, Swimming Pools; [Subpart 6-2](#), Section 6-2.20, Bathing Beaches; and [Subpart 7-2](#), Section 7-2.5(g), Children's Camps. When the SSC requires "lifeguard supervision" or a "qualified lifeguard" at a bathing facility, an approved lifeguard certification SPECIFIC to the type of bathing facility is required.

NOTE:

- All lifeguards must possess separate cardiopulmonary resuscitation (CPR) certification in an approved course listed on the [NYS CPR fact sheet](#) unless otherwise indicated in the below table. All CPR certificates are valid for 1 year from course completion, regardless of the expiration date noted on the card.
- Lifeguard certifications shall be valid for the time period specified by the certifying agency, but may not exceed a consecutive 3-year period from course completion. Multiyear lifeguard certifications that include CPR require a CPR certification each year.
- Children's camp lifeguards must be at least 17 years of age, except;
 - A maximum of 50% of the required lifeguards on duty may be 16 years of age;
 - Lifeguards for wilderness swimming must be at least 18 years of age.
- Supervising lifeguards must possess at least Supervision Level IIb certification, be at least 18 years old, and have at least 2 seasons of lifeguarding experience.
