

So sorry... This article is regarding the "Heroes Banner Program" we wrote you about in our last issue. Unfortunately when we received the quote for the banner, the cost of the hardware to install it on the poles was not included. The cost has to be increased to \$140.00. We sincerely apologize for this error. This is the actual cost of the banners and hardware to install; the VFW is not making any profits from this project. The VFW will absorb the cost of the hardware for orders placed prior to December 15th.
