

A PROGRAM TO BRING MILITARY TRIBUTE BANNERS TO THE TACONIC VALLEY

You have seen them in many towns and villages around the Northeast, banners with the name and picture of a past or present member of our country's armed forces attached to the side of a pole along the main streets. What a fitting way to honor our hometown veterans who served, those men and women who have or are currently serving our country. The American Legion Taconic Valley Post 937, based in Berlin, would like to see that become reality in Berlin and the surrounding towns. The only qualifications are that the veteran must have served honorably, be or have a family member from the area, or a Post 937 Legion member.

The banners are 18"x36", double sided in full color, and will be hung between Memorial Day and Veteran's Day. The purchase of a banner kit includes a 12"x24" yard banner and mounting hardware. There is a two week turn-around time from banner order to receipt of the banner, so keep this in mind when ordering to ensure your banner(s) will be here in time to installation before Memorial Day. Banners will be placed along the parade route first then along other streets in and around town.

More information about the banners is available on the Post 937 website or by emailing nypost937@gmail.com or by contacting a Post 937 member or visiting the Berlin Town Office during business hours. A Banner Order Form is provided inside this brochure.
